uonuoⁿ

_the pop_wood

uonuoⁿ, emozione pop di legno/natura/colore parte dalle basi bianche e nere di grès porcellanato che vengono arricchite da decorazioni ottenute con un procedimento di fusione della materia pura e del colore a 1180°. Il risultato è notevole, gli speciali smalti vetrosi si trasformano in una finitura sorprendente per colore, spessore, matericità, tocco, altissima resistenza e superiorità tecnica.

uonuoⁿ is the pop emotion of wood, nature and color. It starts with the white and black bases of the grès porcelain stoneware and it is enhanced with decorations that are achieved by fusing pure matter and color at 1180°. The result is remarkable! The special glassy enamels are transformed into a striking finish that is characterized by color, thickness, texture, touch, high resistance and technical superiority.
